However, A licensee penalized or restricted pursuant to this chapter shall retain rights of due process with respect to any determination of alleged violations which may adversely affect the right capacity to hold a license.

(m) If there has been a violation, under (b) above, the following additional procedures will be followed:

Such treatment will be through a program or by a practitioner, acceptable to the licensee and the Stewards/Commission. Required features of any program or practitioner acceptable to the Stewards/Commission will be:
